

CAPTURE ONE

SOFTWARE LICENSE AGREEMENT

Effective as of 5th of January 2021

PLEASE READ THIS SOFTWARE LICENSE AGREEMENT (“LICENSE”) CAREFULLY BEFORE INSTALLING OR USING THE SOFTWARE. THIS LICENSE IS AN AGREEMENT BETWEEN YOU AND CAPTURE ONE A/S (“Capture One”) AND GOVERNS YOUR USE OF THE SOFTWARE (AS DEFINED BELOW).

BY INSTALLING AND/OR USING THE SOFTWARE, YOU AGREE TO BE BOUND BY THE TERMS OF THIS LICENSE.

IF YOU DO NOT AGREE TO THE TERMS OF THIS LICENSE, YOU MAY NOT INSTALL OR USE THE SOFTWARE BUT SHOULD PROMPTLY RETURN THE SOFTWARE TO THE PLACE WHERE YOU OBTAINED IT FOR A REFUND.

1. License

This License governs your installation and use of the version of the Capture One software application and any documentation and other materials (if any) accompanying the software whether provided on a separate storage media, in read only memory or by means of any other media including by means of electronic distribution (collectively “Software”). The Software is licensed, not sold, to you for use only pursuant to the terms and conditions of this License. You own the media (if any) on which the Software is provided by Capture One but Capture One and/or Capture One’s licensor(s) retain any and all right, title and interest in and to the Software.

Your rights under this License will terminate automatically and without notice from Capture One if you fail to comply with any terms and conditions hereof or

if the License is otherwise terminated by Capture One as provided for in this License.

2. Grant of use rights to the Software

2.1 Grant of use rights to the Software

Subject to your compliance with this License including without limitation the restrictions and limitations set out in this Section 2 and Section 3, Capture One hereby grants to you a limited and non-exclusive right to install and use the Software solely for your own internal purposes.

The rights granted to you are personal and non-transferable for your internal use only and further depends on the version of the Software for which you have acquired a License as further detailed below.

Notwithstanding anything to the contrary set out below, you are only entitled to use Software installed following activation hereof using legitimate activation codes issued by Capture One.

2.2. Trial License for Capture One

If the License acquired is a trial license and provided that a trial version is made available by Capture One, and irrespective of the version of the Software, a trial license allows for installation and use of the Software on one computer only and on a non-perpetual basis. You may use a copy of the trial version of the Software (comprising the trial version of the programs and any accompanying documentation), for evaluation/trial purposes only for a maximum period of 30 days following the date of installation. If you wish to continue to use the Software after expiry of the said 30 days trial period, you must pay the license fee and obtain a full License. For details of payment, please refer to the purchase information as provided with the Software or visit our website at: www.captureone.com. When Capture One has received payment, you will receive a license number, with which you can unlock any locked or disabled functionality in the trial version of the Software.

2.3 Perpetual licenses for Capture One

If you have acquired a license to a version of Capture One which is of a perpetual nature your right to install and use the Software is – in addition to and without limiting any other terms and conditions set out in this License – subject to the following additional restrictions and limitations with respect to installation and use of Capture One depending on the Software and version hereof licensed by you:

2.3.1 Single user perpetual licenses for Capture One Pro

If the License acquired is a single user license for Capture One Pro, it allows for installation and use of the Software by one single individual only or if the single user license is purchased by a legal entity for a single and individually named employee only. A single user license is thus for one individual to install and use only. The single user license may only be used on one computer at a time and only by the same individual provided however, that the Software may be installed on up to two computers always provided that the Software is used at one computer at a time and only by the same individual irrespective of the number of installations.

2.3.2 Multi-user licenses for Capture One Pro

If the License acquired is a multi-user license for Capture One Pro it allows for installation of the Software on a number of computers up to the maximum number of permitted users acquired and the number of concurrent users must never exceed the maximum number of permitted users acquired pursuant to the multi-user license.

2.3.3 Single user perpetual licenses for Capture One (for Nikon)

If the License acquired is for Capture One (for Nikon) and provided that you are the legitimate owner of eligible Nikon hardware as designated by Capture One in its sole discretion it allows for installation and use of the Software by one single individual only or if the single user license is purchased by a legal entity

for a single and individually named employee only. A single user license is thus for one individual to install and use only. The single user license may only be used on two computers at a time and only by the same individual provided however, that the Software may be installed on up to two computers always provided that the Software is used at one computer at a time and only by the same individual irrespective of the number of installations.

2.3.4 Single user perpetual licenses for Capture One Express (for Nikon)

If the License acquired is for Capture One Express (for Nikon) and provided that you are the legitimate owner of eligible Nikon hardware as designated by Capture One in its sole discretion you may install and use an unlimited number of Capture One Express (for Nikon) for your own internal use.

2.3.5 Single user perpetual licenses for Capture One (for Sony)

If the License acquired is for Capture One (for Sony) and provided that you are the legitimate owner of eligible Sony hardware as designated by Capture One in its sole discretion it allows for installation and use of the Software by one single individual only or if the single user license is purchased by a legal entity for a single and individually named employee only. A single user license is thus for one individual to install and use only. The single user license may only be used on two computers at a time and only by the same individual provided however, that the Software may be installed on up to two computers always provided that the Software is used at one computer at a time and only by the same individual irrespective of the number of installations.

2.3.6 Single user perpetual licenses for Capture One Express (for Sony)

If the License acquired is for Capture One Express (for Sony) and provided that you are the legitimate owner of eligible Sony hardware as designated by Capture One in its sole discretion you may install and use an unlimited number of Capture One Express (for Sony) for your own internal use.

2.3.7 Single user perpetual licenses for Capture One Fujifilm

If the License acquired is for Capture One Fujifilm and provided that you are the legitimate owner of eligible Fujifilm hardware as designated by Capture One in its sole discretion it allows for installation and use of the Software by one single individual only or if the single user license is purchased by a legal entity for a single and individually named employee only. A single user license is thus for one individual to install and use only. The single user license may only be used on two computers at a time and only by the same individual provided however, that the Software may be installed on up to two computers always provided that the Software is used at one computer at a time and only by the same individual irrespective of the number of installations.

2.3.8 Single user perpetual licenses for Capture One Express Fujifilm

If the License acquired is for Capture One Express Fujifilm and provided that you are the legitimate owner of eligible Fujifilm hardware as designated by Capture One in its sole discretion you may install and use an unlimited number of Capture One Express Fujifilm for your own internal use.

2.3.9 Single user perpetual licenses for Capture One for Phase One

Provided that you are the legitimate owner of eligible Phase One digital back hardware as designated by Capture One in its sole discretion it allows for installation and use of the Software by one single individual only or if the single user license is purchased by a legal entity for a single and individually named employee only. A single user license is thus for one individual to install and use only. The single user license may only be used on two computers at a time and only by the same individual provided however, that the Software may be installed on up to two computers always provided that the Software is used at one computer at a time and only by the same individual irrespective of the number of installations.

2.4 Subscription Licenses for Capture One

Subscription licensed versions of Capture One are subject to the following restrictions and limitations in addition to any other limitations and restrictions set out in this License.

When the License concerning Capture One Pro is purchased on a subscription and thus non-perpetual basis your right to install and use the Software on your computers will be strictly limited in time to the applicable subscription period chosen and paid for by you.

Your right to install and use the Software will terminate automatically and without notice upon expiration of the subscription period and the Software cannot be executed on your computers upon expiration of the subscription period nor will you be able to process any data processed and/or stored via the Software following expiration of your subscription period.

2.4.1 Single user subscription licenses for Capture One Pro

If the License acquired is a single user license for Capture One Pro it allows for installation and use of the Software by one single individual only or if the single user license is purchased by a legal entity for a single and individually named employee only. A single user license is thus for one individual to install and use only. The single user license may only be used on one computer at a time and only by the same individual provided however, that the Software may be installed on up to two computers always provided that the Software is used at one computer at a time and only by the same individual irrespective of the number of installations.

2.4.2 Multi-user subscription licenses for Capture One Pro

If the License acquired is a multi-user license for Capture One Pro it allows for installation and use of the Software on a number of computers up to the maximum number of permitted users acquired and the number of concurrent users must never exceed the maximum number of permitted users acquired pursuant to the multi-user license.

2.4.3 Single user subscription licenses for Capture One Fujifilm

If the License acquired is a single user license for Capture One Fujifilm it allows

for installation and use of the Software by one single individual only or if the single user license is purchased by a legal entity for a single and individually named employee only. A single user license is thus for one individual to install and use only. The single user license may only be used on one computer at a time and only by the same individual provided however, that the Software may be installed on up to two computers always provided that the Software is used at one computer at a time and only by the same individual irrespective of the number of installations.

2.4.4 Single user subscription licenses for Capture One (for Sony)

If the License acquired is a single user license for Capture One (for Sony) it allows for installation and use of the Software by one single individual only or if the single user license is purchased by a legal entity for a single and individually named employee only. A single user license is thus for one individual to install and use only. The single user license may only be used on one computer at a time and only by the same individual provided however, that the Software may be installed on up to two computers always provided that the Software is used at one computer at a time and only by the same individual irrespective of the number of installations.

2.4.5 Single user subscription licenses for Capture One (for Nikon)

If the License acquired is a single user license for Capture One (for Nikon) it allows for installation and use of the Software by one single individual only or if the single user license is purchased by a legal entity for a single and individually named employee only. A single user license is thus for one individual to install and use only. The single user license may only be used on one computer at a time and only by the same individual provided however, that the Software may be installed on up to two computers always provided that the Software is used at one computer at a time and only by the same individual irrespective of the number of installations.

2.5 Subscription License for Capture One Enterprise

Subscription licensed versions of Capture One Enterprise are subject to the following restrictions and limitations in addition to any other limitations and

restrictions set out in this License.

When the License concerning Capture One Enterprise is purchased on a subscription and thus non-perpetual basis your right to install and use the Software on your computers will be strictly limited in time to the applicable subscription period chosen and paid for by you.

Your right to install and use the Software will terminate automatically and without notice upon expiration of the subscription period and the Software cannot be executed on your computers upon expiration of the subscription period nor will you be able to process any data processed and/or stored via the Software following expiration of your subscription period.

2.5.1 Single user subscription licenses for Capture One Enterprise

If the License acquired is a single user license for Capture One Enterprise or it allows for installation and use of the Software by one single individual only or if the single user license is purchased by a legal entity for a single and individually named employee only. A single user license is thus for one individual to install and use only. The single user license may only be used on one computer at a time and only by the same individual provided however, that the Software may be installed on up to two computers always provided that the Software is used at one computer at a time and only by the same individual irrespective of the number of installations.

2.5.2 Multi user subscription licenses for Capture One Enterprise

If the License acquired is a multi-user license for Capture One Enterprise it allows for installation and use of the Software on a number of computers up to the maximum number of permitted users acquired and the number of concurrent users must never exceed the maximum number of permitted users acquired pursuant to the multi-user license.

2.6 Perpetual licenses for Capture One Cultural Heritage

If you have acquired a license to a version of Capture One Cultural Heritage which is of a perpetual nature your right to install and use the Software is – in addition to and without limiting any other terms and conditions set out in this License – subject to the following additional restrictions and limitations:

2.6.1 Single user licenses for Capture One Cultural Heritage

If the License acquired is for Capture One Cultural Heritage, it allows for installation and use of the Software on a maximum of 4 computers and the number of concurrent users must never exceed four users.

3. Restrictions and limitations

3.1 Except as permitted by applicable mandatory law you may not (i) decompile, reverse engineer, or disassemble the Software; (ii) modify, rent, lease, loan, distribute, sublicense, create derivative works of, communicate and/or make the Software available to the public; (iii) let any third-party access, install and/or use the Software for any purpose including without limitation any outsourcing, hosting, business process outsourcing or any other arrangements pursuant to which any third-party accesses, installs and/or uses the Software for any purpose.

3.2 To use the Software on a subscription basis you must have and maintain an Internet connection allowing for communication between your equipment and Capture One' equipment via the Internet for the purpose of Capture One being able to validate and reconfirm your valid subscription License including payment of applicable subscription license fees from time to time during the subscription period. You are solely responsible for establishing and maintaining an Internet connection throughout the subscription period including paying all costs incurred in this respect.

3.3 You may not use the Software in any application or situation where any failure of the Software could lead directly or indirectly to death, personal injury,

or severe physical or environmental damage, including without limitation using the Software for controlling the operation of equipment in any nuclear facilities; aircraft navigation, communications or flight control systems; air traffic control systems; mass transit systems; applicable medical equipment; or weapons systems.

3.4 Capture One may apply technical protection measures of whatsoever nature to ensure compliance e.g. for the purpose of ensuring that specific versions of the Software may be used only following application of activation codes for specific versions of the Software issued by Capture One to you in connection with your acquisition of a given License.

3.5 This License only grants you limited rights to install and use the Software and Capture One reserves all rights not explicitly granted.

4. New versions, releases, updates, patches, fixes etc.

Capture One may from time to time to be decided in the sole discretion of Capture One release new versions, releases, updates, patches, fixes etc. to the Software.

To support the general performance of the Software, Capture One suggests that you install and use such new versions, releases, updates, patches, fixes etc. to the Software to the extent released by Capture One. Installation and use of the aforesaid may require that separate license fees are paid and that additional terms and conditions are accepted by you.

5. Disclaimer of Warranty on Software

You expressly acknowledge and agree that use of the Software is at your sole risk.

The Software is provided “AS IS” and without warranty of any kind and Capture

One expressly disclaims all representations and warranties, express or implied, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Capture One does not warrant or make any representations regarding the use of or the results of use of the Software or related documentation in terms of their correctness, accuracy, reliability, or otherwise. No oral or written information or advice given by Capture One or its authorized representative shall create a warranty. Should the Software prove defective, you (and not Capture One or a Capture One authorized representative) assume the entire cost of all necessary servicing, repair or correction. Some jurisdictions do not allow the exclusion so this limitation may not apply to you.

6. Limitations and Exclusions of Liability

Capture One disclaims and shall not be liable for any indirect loss including without limitation any loss of goodwill, consequent losses, business interruption, loss of data, loss caused by non-availability of the Software or incorrect information in the Software, operating loss, loss of profits or any other indirect economic losses and irrespective of the basis and nature of the liability.

The liability of Capture One shall in any circumstances and in addition to any other limitations and exclusions of liability be limited to a total aggregated amount equal to the fee paid by you for the License to the Software and irrespective of the basis and nature of such liability.

Some jurisdictions may not allow this limitation of incidental, consequential or other damages so this limitation may not apply to you.

7. Termination

Notwithstanding anything to the contrary set out in this License, Capture One may terminate this License with immediate effect upon serving written notice to you in the event of: (i) an intellectual property infringement claim relating to the Software from any third-party if Capture One assesses in its sole discretion that Capture One is unable to remedy the infringement by working around such

infringement or by obtaining the required license rights on commercial reasonable terms; or (ii) your breach of this License. The aforesaid shall apply irrespective of whether the Software is licensed on a perpetual or non-perpetual basis.

8. Export Rules

The Software is subject to applicable import and export laws and regulations. You must comply with all applicable import and export laws and regulations that apply to the Software, including its components.

9. Third-party Software

The Software includes certain third-party software. Such third-party software may be subject to and governed by separate third-party license terms and you accept such third-party license terms when you install or use the Software.

Credits and separate license terms applicable to third-party software are included in the license and credits file available in the “About” section of the Software via the “Credits” button.

You agree that certain third-party software licensors may be third-party beneficiaries and thus may rely in their sole discretion on their applicable third-party software license terms instead of and/or in addition to the terms of this License. If separate third-party software license terms are not referenced in the license and credit file, the third-party software licensor may in its sole discretion decide to rely on the terms and conditions set out in this License.

Without limiting the generality of any other provisions of this License, Capture One may at any time request that you discontinue use and delete any third-party software components (or portions hereof) with immediate effect upon Capture One’s notice to you in this respect, if Capture One assesses in its sole discretion that Capture One’s right to include the third-party software components is or may be cancelled, withdrawn or terminated for whatever

reason.

You agree not to take any actions that may prevent or otherwise impair any such third-party software licensors' exercise of their rights to such third-party software.

10. Personal data

Capture One collects and processes information, including personal data, provided by you in relation to Capture One's supply of Software and services to you. Such collection and processing is regulated by the "Capture One Privacy Policy" (<https://www.captureone.com/en/legal/privacy-policy>) and the "Capture One Cookie Policy" (<https://www.captureone.com/en/legal/cookie-policy>) applicable at any time. The policies form an integrated part of this License.

11. Audit rights

You must keep records relating to the Software installed and used. Capture One or a third-party designated by Capture One in its sole discretion has the right to verify your compliance with this License at any time upon request including without limitation to request information regarding your installation and/or use of the Software and/or to perform on-site investigations of your installation and use of the Software.

Capture One will provide at least 7 days' prior written notice of its intent to verify compliance. Capture One may perform such audit itself or may engage an auditor (e.g. an accounting firm, law firm, a consultancy company or the like) ("Auditor"), which will be subject to customary confidentiality undertakings however to be decided by Capture One in its sole discretion.

Verification will take place during normal business hours and in a manner that does not interfere unreasonably with Licensee's operations and Capture One or an Auditor may decide in their sole discretion to apply software search tools in accordance with audits.

Licensee must promptly provide Capture One and if applicable the Auditor with

any information requested in connection with and in furtherance of the verification including without limitation access to your premises, IT systems on which the Software is installed and/or running and evidence of licenses for Software that you claim having acquired.

If a verification shows any unlicensed use, you must within 14 days order sufficient licenses to cover any unlicensed use.

If unlicensed use is 5% or more, you must reimburse Capture One for the costs Capture One has incurred in connection with the verification process including any costs incurred to any Auditor and acquire the necessary additional licenses at 125 % of the license fees that should have been paid for the licenses for the Software had these been purchased in accordance with this License within 14 days.

The scope of unlicensed use percentage is calculated based on the total number of licenses purchased compared to actual install base of the Software.

By exercising the rights and procedures described above, Capture One does not waive its rights to enforce this License or to protect its intellectual property by any other means permitted by law including without limitation to claim compensation for past unlicensed use of the Software.

Any failure in whole or in part to comply with the obligations set out in this sec. 11 shall constitute a material breach by you which entails Capture One to terminate this License for material breach by you.

12. Miscellaneous

The parties explicitly agree that the language of this License (and if applicable any user guides and documentation) is English, and the English language will prevail in terms of any disputes between the parties. You explicitly disclaim any right to request that this License (and if applicable any user guides and documentation) should be interpreted into any other language than the English language to be valid and enforceable. The aforesaid applies to the maximum extent permitted by applicable law.

If you are residing in Spain you further agree to the following: *El abajo firmante declara bajo su responsabilidad que conoce, entiende perfectamente y acepta todos los términos y condiciones del presente acuerdo, así como el idioma en el que está redactado.*

13. Controlling Law, Venue and Severability

This License shall be governed by the laws of the Kingdom of Denmark save that any rules concerning choice of law and venue and the UN Convention on Contracts for the International Sale of Goods (“CISG”) are explicitly excluded and will not apply.

Any dispute arising out of or related to this License shall be subject to the exclusive jurisdiction of the ordinary Danish courts. The aforesaid shall not in any manner limit Capture One’ access to utilize any preliminary remedies available in connection with enforcement of Capture One’ rights including seeking grant of a preliminary injunction and/or securing of evidence in any applicable jurisdiction.

If for any reason a court of competent jurisdiction finds any provision, or portion thereof, to be unenforceable, the remainder of the terms and conditions of this License shall continue in full force and effect.

14. Entire Agreement

This License constitutes the entire agreement between the parties with respect to the use of the Software and supersedes all prior or contemporaneous understandings regarding such matter. No amendment to or modification of this License will be legally valid and binding unless in writing and signed by Capture One. Capture One may however amend the terms and conditions of this License applicable to the Software in connection with any new update, patch, fix, release or version of the Software (if any).
