- 15.3 You agree that certain third-party software licensors may be third-party beneficiaries and thus may rely in their sole discretion on their applicable third-party software license terms instead of and/or in addition to the terms of this Agreement. If separate third-party software license terms are not referenced in the license and credit file, the third-party software licensor may in its sole discretion decide to rely on the terms and conditions set out in this Agreement.
- 15.4 Without limiting the generality of any other provisions of this Agreement, Capture One may at any time request that you discontinue use and delete any third-party software components (or portions hereof) with immediate effect upon Capture One’s notice to you in this respect, if Capture One assesses in its sole discretion that Capture One’s right to include the third-party software components is or may be cancelled, withdrawn or terminated for whatever reason.
- 15.5 You agree not to take any actions that may prevent or otherwise impair any such third-party software licensors’ exercise of their rights to such third-party software.

20. SEVERABILITY

20.1 If any section of this Agreement is deemed unenforceable or invalid for any reason, the remaining parts of this Agreement shall not be affected hereby. 23.2 Capture One shall, however, be entitled to amend the terms and conditions of this Agreement applicable to the Software, by notifying the Licensee in writing, including by way of e-mail or in the Software.
